The Community Review is to help us to think about how the church is and could be :

- involved in the Droitwich community,
- responding to the needs of the town's people
- contributing to the common good and well-being of all

*Bearing in mind that we have four church buildings how do you feel the church could be involved in the Droitwich community in the years to come? (continue overleaf if you wish)*

*As we move forward in our thinking and planning we will need people with all sorts of different skills, experience, interests and resources - what can you offer?*

*Which service do you usually attend on Sundays?*

Thank you for your help!

Your answers will be confidential and only used to help us to build up a picture of our involvement in the Droitwich community and to help us to think about the future. We hope that you will be willing to give us your name and email address or phone number so that we can perhaps contact you again as our project develops.
